Filled with 1950s period detail and swathed in abundant northern light, this voluptuous apartment seduces with its fantastic floor plan and brilliant location in the epicentre of St Kilda's playground. From its dedicated entry foyer to its good sized lounge and dining room with see-through glass servery through to the kitchen keeping whoever is doing the cooking in the loop of the conversation, big balcony, two generous bedrooms, modern bathroom, gorgeous honey-glazed floorboards, high ceilings, car space and the bonus of a very handy storeroom, it's a home designed for comfort and practicality with everything you need on the doorstep. Lazy brunches, lunches and dinners, bars, eclectic shops and boutiques, great restaurants and the sun, sea and sand - walk to them all. Just metres to Acland Street and the beach, you really can't be closer to everything St Kilda has to offer. This apartment is a must see.
