\$330,000

With its impressive proportions and contemporary comfort. Ideal for first-home buyers in search of a serene retreat, downsizers seeking simplicity, and savvy investors eyeing a promising opportunity, this property presents a compelling option. Low-maintenance living without compromising on spaciousness or quality. Featuring three bedrooms or two with a large study. The master suite offers access to the shared bathroom and BIR's. The property also includes a modern kitchen as well as ample living space. Step outside to a low-maintenance courtyard, perfect for creating your own entertainment area in the future. Additional lifestyle enhancements comprise a split air conditioning system in the main living space and master bedroom. Garage with internal entry to the home for parking convenience. Close enough to town in a quiet no through street
