Situated in one of Melbourne's most demanded and exclusive lifestyle settings, this street fronting standout presents light filled simplicity with scope to update and enjoy or capitalise on thriving rents. One of only seven, a single storey plan sees a sizeable bedroom joined by a walk in robe, while a tidy bathroom offers a combined bath/shower. An open living/dining area provides room to unwind, flowing into a private, north facing courtyard with vibrant gardens. Additional highlights include ample bench and cabinet space to a wraparound kitchen, laundry facilities to bathroom, NBN connectivity, and a car space on title. Perfectly located on the fringe of Melbourne's sports and events precinct, it's an easy walk to the blissful Botanic Gardens and Yarra River, with Swan Street nightlife, city trains and trams, esteemed schools, Chapel Street, and CityLink just metres away.
