This masterfully crafted brand-new architect designed residence delivers luxury in a sought-after blue-chip avenue. Occupying a street front position, this home is one of only four in this boutique group. Highlighted by extravagant Super White marble and Oak floors, its superb floorplan delivers inviting open-concept living and dining domain with northern orientation, gas fireplace surrounded by marble, and a striking marble and Miele equipped kitchen with integrated fridge/freezer, dual ovens and dishwasher plus Butler's pantry and integrated workstation. A private courtyard of impressive dimensions is accessed through wide sliding glass, ideal for family entertaining and enjoyment. Its four bright bedrooms include two main suites, one on each level, the upstairs main with city views! They each feature marble ensuites and walk in robes. A family bathroom and two powder rooms plus a flexible basement theatre room/family room enhance its floorplan which meets contemporary family requirements with ease. Additional appointments include lift to all levels, intercom, wool carpets, linen press, basement storeroom, zoned heating/cooling, security system, and secure double garaging with internal access. Its enviable blue-chip address is conveniently close to tranquil Studley Park, the Yarra River precinct, High Street trams and leading schools including Xavier, Trinity and MLC.
