Replete with all the modern conveniences you'd expect like a dishwasher, stainless steel appliances, LED lighting, heating and cooling and two ensuite effect bathrooms, there's also three robed bedrooms and two living areas. Finished in chic neutral colours that offset the honeyed tones of the floating timber floor the generous windows admit an abundance of gorgeous daylight. There's room for a vehicle and extra storage in the L.U.G. with remote door as well as a water tank to feed the plants in the private courtyard garden. Nearby schools include Kent Park and Mountain Gate Primary schools with the shops, restaurants and cafes of Mountain Gate Shopping Centre a pleasantly short stroll away. A regular bus service on Ferntree Gully road provides public transport to a host of destinations and commuters can be on Eastlink in ten minutes or less.
