Uniting the indoor with the outdoors, large glass bi folding doors open to connect with the L shape outdoor deck area. The stylish kitchen features an integrated dishwasher, modern electrical appliances, and concrete benchtops. Separate indoor laundry and powder room. Take the stairs to the second level whilst capturing the scenery from the floor to ceiling glass that filters through an abundance of light. On the top level of the home, you will be greeted with a master bedroom, walk in wardrobe and ensuite. Two additional bedrooms with built in cupboards and air conditioning. A second main bathroom to service the additional bedrooms complete the picture. The ground floor generously accommodates two under cover parking spaces with lockable storage cage perfect for a bike.
