Situated on the lower level, the master bedroom is a clever design offering a substantial walk-in robe and a modern Ensuite with dual wash hand basins and separate shower with a large spa bath. The additional 3 bedrooms can be found upstairs with a parent's retreat/study or 2nd living area. The second master bedroom is a generous size and offers a large walk-in robe, Solar & Rain Sensor Velux window with built in remote controlled blind, a newly fitted ensuite bathroom with double shower, underfloor heating, Solar & Rain sensor Velux window, wash hand basin and a separate w/c.
