If low maintenance living is an important consideration in your next buying decision, this unit epitomises simplicity and could be an ideal addition to your investment portfolio or the perfect, peaceful spot to downsize to. The second unit of three, 2/19 Randall Crescent, Moe invites you into the generous living room which optimises the natural light through the large north facing window and offers a gas wall heater and air conditioning. A dining room with sliding door access to the patio, connects the living to functional u-shaped kitchen, with gas cooking and plenty of bench space. Both bedrooms have a built-in robes and ceiling fans, while the central bathroom offers shower, separate bath and single vanity. This comfortable unit offers direct entry via the carport, a sunny rear courtyard with a garden shed and small grassed area, perfect for those with furry family members. The property enjoys a quiet aspect within a 5 minute drive to the Moe CBD which boasts shopping, medical, rail as well as quick access to the M1 freeway.
