This could be one of the buys of the year

Wowee, tucked away this hidden gem offers the smart buyers a treat and what potentially could be the buy of the year. Big statement I know but homes like this are rare, three spacious bedrooms all with built-ins, large living/dining/kitchen area, bathroom with bath/separate shower, laundry that leads out onto a covered BBQ/entertainment area that is big enough for those soon to be Christmas catch ups with family and friends or new years eve parties to celebrate.

Downstairs is the third bedroom and access to the garage that has plenty of storage area and a workshop for those that love to tinker.

So much garden area for you to add your colour and or vegies with a shed to house your tools.

1. Perfectly positioned to schools, shops and public transport
2. Easy walk to Glenorchy shopping precinct
3. Fantastic covered BBQ area
4. Spacious bedrooms with built-ins
5. Free flowing floorplan
6. Garage with workshop for those wanting to tinker
7. Off street parking also available
