Imagine waking up in your newly acquired Lennox Head Townhouse and strolling a few hundred metres to one of many local cafes for your favourite Soy Latte and almond croissant. Spend some time with friends chatting then enjoy a brisk walk along the beach on the way back home. The beauty of walking everywhere on the flat without the need of a car is something else. At night duck into town for some world famous Thai, pizza, Chinese or Mexican and a few Margaritas. The peaceful, highly sought after and safe Lennox Head lifestyle awaits you with world famous surf breaks fishing and scenery. Byron Bay is just 20min up the Rd and if you need a serious dose of shopping on the Gold Coast then Pac Fair is an easy drive up the freeway. This cute well maintained villa has 3 bedrooms, 1 main bathroom and the master has its own walk in robe and ensuite. There is a huge open plan kitchen, dining, lounge room area along with a separate media room. The property is very low maintenance with a sunny North facing paved backyard for family get togethers and BBQs. Set in a quiet Culdasac there is no through traffic and all the neighbours are really helpful and friendly. Add your own touch of coastal class to this original gem just a stones throw from Seven Mile Beach and the newly renovated Lennox Village.
