\$800,000 - \$840,000

Presenting this beautiful quality built townhouse with its light and bright interior and modern color palette that will suit all buyers and is sure to impress. Its convenient location being close to schools, the local township and all amenities. The public transport is only a short stroll away. This property offers a huge master suite with a walk-in robe and ensuite with double basins and stone bench top. The 2 other good-sized bedrooms are close to the main bathroom this includes a stone bench top to the vanity and boasts a separate bath and shower. The large open plan kitchen has stone bench tops which is open to the family room and meals area. This is large enough for whole family and friends to gather in. Gas ducted heating throughout and split system cooling, large laundry with stone bench tops. Outside offers a covered entertainment area, fully fenced yard, double garage with internal access.
