In a coveted lifestyle setting, showcasing the clean smart lines of contemporary design, this brand new three bedroom residence presents an opportunity to step up in style and enjoy the simple life with minimal maintenance. Beyond a striking contemporary façade, the street-fronted home's graceful interiors are designed to encourage easy family living and entertaining with a magnificent Hamptons-inspired gourmet island kitchen, featuring bespoke panelled surfaces, induction cooking and stainless steel appliances. Combined living and dining feature matching in-built cabinetry, and flow to an inviting front terrace. Generous accommodation comes via three carpeted double bedrooms that share two luxury bathrooms. The ground floor master boasts a spacious ensuite and walk-in robe, and the stunning fully-tiled bathrooms continue the coastal aesthetic with stylish white tapware, semi-frameless showers, and a soaker tub which adorns the family bathroom. Split system heating/cooling throughout, and an immaculate remote-control tandem double garage with internal entry and a large storage space and internal access make life easy. Positioned on the doorstep of West Street's cafes, shops and buses, with the convenience of nearby Glenroy central, and surrounded by a selection of schools, this family-focused lifestyle home is an opportunity not to be missed.
