Ideally located in a quiet and peaceful complex of only 15 townhouses, this south-facing unit has beautiful parkland at the back and has been updated inside. With brand new paint, carpet, blinds and hybrid flooring downstairs, as well as a new kitchen benchtop, dishwasher, cooktop and toilets, there is nothing to do but move in and enjoy. With the city bus (150, 153, N154, 156 & P157) only 400m away and a huge council parkland at the front of the complex, the kids have never had so much room to run around! This townhouse has been well maintained and has one of the largest downstairs living areas I have seen in Runcorn! Featuring: * Three good size bedrooms, all with built in robes and ceiling fans * Master bedroom with air conditioning, ceiling fan, ensuite and built in robes * Large living and meals area with an extra family area that could be used for seating, play area, piano or study table * Great size kitchen with brand new kitchen benchtops, new dishwasher and cooktop * Low maintenance courtyard with lovely greenery behind * Single remote control garage with plenty of visitor parking in complex * Third toilet and laundry downstairs * Extra features include security screens throughout the lower level, linen cupboard and storage under stairs * Small complex of only 15 units * Vacant and ready to move in to * Pet friendly on application This is a popular complex with great management. Only a few minutes drive to local shops, train station and Gateway Motorway access. Come along to the open home and make your offer before someone else does!
