Anthony Alagona

\$820,000

Designed to the highest standards these architecturally designed blue chip town homes tick every box. Tucked quietly away in a secluded prestige pocket this town home is only a stone's throw away to Coburg Hill Shopping Centre, Regent Street Cafes, Tram & Bus Terminus & local primary & secondary schools. This Designer Town Home contains engineered timber flooring and waterfall stone counters plus abundant natural light assuring a warm and sophisticated ambience. Complementing generous accommodation, interiors also comprise open plan living areas with quality smeg appliances, designer gourmet kitchens, master bedroom with walk in robe and ensuite, additional bedroom also with walk in robe, north facing back yard, three ultramodern fully tiled bathrooms with free standing bath, full laundry facilities and additionally a large study, lock up remote garage with internal access & split system heating/cooling in all bedrooms and living areas. Quality & location like this makes for a truly unique opportunity that needs to be fully appreciated.
