**\$585,000 - \$625,000**

This low maintenance two storey home takes inspiration from nature. With the obvious convenience of it's location the home further provides a timeless aesthetic set amongst the leafy streets of Maidstone. This residence offers a clean and effortless design cuppled with a wide range of stylish and functional fixtures and finishes. 2/21 Fisher St features extensive light filled spaces with an inviting and conventional open plan living area, brings the outside in while the bathrooms feature a contemporary design. The use of engineered floorboards create a warm and welcoming environment with high end appliances making living easy. Situated 400 meters away from trams stops, Highpoint Shopping Centre, and the Maribyrnong Aquatic Centre, this home is a must to inspect!
