Centrally positioned, this fully refurbished country-style cottage is conveniently situated within walking distance of the town center, schools, and all essential facilities. It is also conveniently located on the bus route. The property features: Three generously sized bedrooms, each equipped with ceiling fans. The main bathroom has been updated and now includes a separate toilet. The centrally located lounge room is complemented by a sunroom/office at the front of the house. The spacious, renovated galley kitchen includes an island bench where the family can gather. This area provides ample space for dining and additional seating. A separate laundry is situated at the rear of the house, with a step down to the covered outdoor area. Beyond the double gates, there is parking space for a couple of cars, including the carport.
