The ideal first home or an exceptional addition to your flourishing investment portfolio, this warm and welcoming unit will also attract the interest of downsizers seeking a carefree offering in a truly amenity-rich locale. With local shopping options, bus stops and parks readily at hand, this chic low maintenance home is situated in a prized pocket of Highett, beachside of the highway. Nestled at the heart of just four units in a neatly maintained and quiet group, it features a spacious living/dining area, contemporary kitchen and two double bedrooms, both with built-in robes. A bright bathroom including laundry facility are also offered along with, split system heating/cooling and two allocated parking spaces. Commuters will love the unit's proximity to both Highett & Southland train stations - the many fabulous restaurants and cafes of Highett Road are also just moments away. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
