Price on Application

The villa is located on an elevated block with a Rainforest backdrop. It is ideal for a large family or for an investment opportunity as the upper level can be separated from downstairs with its own access. It is architecturally designed on 2 levels with 6 bedrooms [3 per level], 3 bathrooms and 2 laundries. Each level has a living area with the main kitchen on the ground level and a kitchenette area upstairs. The ground floor features undercover parking for 4 vehicles as well as sufficient space for a swimming pool. The first floor features a large deck/patio area with potential exclusive access. There is an area for a potential large storage shed [5mx10m] at the back of the block. Land - 1141m² [approximate] Villa - 401m². Upstairs and downstairs [incl. balcony and carport].
