Standing out from the crowd with its very own driveway and private entrance, this particularly rare 3 bedroom ground floor apartment is in love with its sense of independence. Enjoying a townhouse like feel, as the tandem driveway (carport) links into the lush sanctuary of the north-west facing garden courtyard, you'll be able to sit outside in every season enjoying the sun on the entertainer's patio. Inside is classic yet comfortable, featuring a genuine entry hall, an elegant living and dining room, a retro kitchen (Fisher & Paykel dish drawer), 2 good size rear bedrooms (built in robes), a sizeable versatile 3rd bedroom/study and a well maintained bathroom with laundry facilities. This prized apartment is complete with new carpets, fresh paint, heating/air conditioning and good storage. Esteemed for its position within Kew's elite schooling belt, a heartbeat to Kupid Espresso café, a light stroll to Glenferrie Road excitement, Glenferrie station, Swinburne University and Central Gardens, while moments to Kew Junction.
