A single level surprise of classical elegance and courtyard beauty, this refined three bedroom two bathroom town residence has a low maintenance edge in the sought after McKinnon Secondary College zone. Charmed with striking columns, ornate cornices and graceful window furnishings, this timeless abode is private at the rear of only two, featuring a wide entry hallway, a fabulous living and dining area with gas log fireplace, a family scale modern kitchen with Bosch appliances, a spacious main bedroom with walk in robe and sparkling porcelain ensuite; two further double bedrooms with built in robes, a gleaming bathroom and a genuine laundry with internal garage access. Featuring an elevated alfresco deck and extra high fences, the super easy care courtyard is largely paved, with fully automated sprinkler system and a gorgeous infusion of planter box gardens popping with cute colour. Impeccably maintained and updated, this immaculate home is enhanced with hardwood timber floors, ducted reverse cycle air conditioning, ducted vacuum, an alarm, a security door entry and an auto garage with an additional car space in front. In one of Ormond's finest streets, just metres to the Ormond station bus and amazingly popular Sebby's Scrolls, moments to Ormond Primary School, North Road shops and eateries, Glen Orme Tennis Club, the McKinnon Village café scene and the Elster Creek Trail into Allnutt Park.
