In a complex of only three units is where you will find this cracking property. As you enter the home you will be greeted by an open plan lounge, kitchen and dining area. There are also three good size bedrooms all fitted with built in cupboards and is serviced by a centrally located bathroom with separate toilet. There is also a one car lock up garage attached to the home. Currently returning \$310 per week this is a great little investment in an even better location and one that needs to be inspected to be appreciated.
