This excellent opportunity exists to obtain lease this two- bedroom, one bathroom unit that is situated in a prime location with many benefits. Within walking distance to so many local businesses of approximately 190 shops available in the super Casuarina Shopping complex across the road. There are schools, a university and much much more within walking distance. Please see some additional great points within the unit itself:

- Large open plan kitchen, living and dining room.
- The lounge, dining and kitchen area has access to both front and back with fans with plenty of windows, breeze and split system air conditioning in the lower area of the unit.
- The kitchen is open with good cupboard space and central for family to enjoy.
- Both bedrooms upstairs are a good size with built in robes, air conditioning, fans and windows for great air flow from this second floor of the dwelling.
- The main bathroom is situated in the hall for convenience to both bedrooms and main living areas. The bathroom is freshly renovated and modern. Spend your days with much to see and do from this location in the Northern Territory!
