Single-level serenity is at the heart of this excellent townhouse, renovated to a high standard for easy living and exceptional privacy. The rear one of two townhouses, it's impressive from the moment you see the beautiful garden and feature-rich three-bedroom interior. Sunshine streams into the north-facing lounge and well-designed Neff kitchen, the spacious dining zone opens onto a lovingly tended garden, and two bathrooms are pristine and well-appointed. This is the perfect downsizer or low-maintenance hideaway, with features that make everyday living effortless. Sit on the undercover deck or European stone terrace and admire a garden designed to be beautiful year-round, and appreciate having Daikin reverse-cycle ducted air conditioning, European oak flooring, and a main bedroom with an ensuite, and walk-in and built-in wardrobes. Enjoy coming home to a double remote-control garage, keycode and video intercom entry, and an interior that's stylish and impeccably presented. Centrally located Alfred Street is an easy walk to Charman Road's shops, cafes and Cheltenham Station, it's zoned for both Beaumaris and Mentone Girls' Secondary Colleges, and you can be at the beach in minutes.
