Set within the acclaimed Mount Waverley Secondary College school zone, this brand-new townhome's undulating, tree-lined landscape provides the perfect complement to its carefully crafted and intelligently curated spaces. The floor plan orbits a central lounge & dining domain, flanked by wall-length windows and an intimate gas log fireplace around which friends & family will naturally congregate. In the warmer months, outdoor entertaining takes precedence, with the property's generous dimensions revealing a large, landscaped backyard framing a beautifully finished alfresco setting. A gourmet kitchen has been meticulously designed for both family dining and entertaining on a lavish scale. Premium appointments include Miele appliances, 60mm stone, a 900mm oven, pendant lighting, high-volume cabinetry, and adjoining scullery. On the ground floor, a parents' bedroom with WIR & ensuite is discreetly positioned away from the main entertaining areas, and is joined above by three bedrooms with BIR and a family bathroom intersected by a sunlit gallery. Designer elements include double-glazed windows, a stairwell chandelier, mirror LEDs, recessed lounge room shelving with LED strip lighting, fully-tiled bathrooms with frameless rainfall showers, internal access parking, refrigerated heating and cooling, wireless wifi and Juliet windows. The property's oversized dimensions are expressed by its 2.4m doorways, 2.7m entry ceilings, and 3m high entertaining zones. This brand-new home (on its own title without body corp fee) provides every possible luxury in a location that is appropriately alluring. Local sports grounds, the scenic paths of Damper Creek, and Mount Waverley Secondary College are steps from the door, with the cultural commons of Mount Waverley station plaza just around the corner.
