This beautifully well positioned gem will be snapped up quickly. Open plan modern kitchen with industrial dual-purpose gas burner cooktop, dishwasher and ample storage space, making it the perfect place for preparing meals. Entertain guests from the servery with meals and drinks, overlooking the rainforest reserve which features a seasonal freshwater creek, abound with Ulysses butterflies, abundant varieties of birdlife and foraging wallabies. This property has no rear neighbours giving you that tranquil outdoor lifestyle, yet still being close to all essential amenities. With a large undercover patio and hardwood deck, it's perfect for entertaining, with plenty of room for a sparkling inground pool. Featuring two queen size bedrooms with built-in robes and a third single bedroom with room for a study. Recently rendered and painted inside and out with a Tuscan style, this property is sure to impress, fully landscaped with low maintenance in mind, and includes a tucked away vegetable and herb garden for those that love fresh organic produce. The fully renewed driveway showcases a stunning natural creek and waterfall, designed to be low maintenance and self-sustaining, harbouring a variety of fish, which is also a popular place for birds to have a drink in the drier months. With a brand new huge waterproof shade sail offering plenty of space for two vehicles, there's also a large garden in the front with room to store a caravan or boat. Perfectly positioned, this property is a short stroll to shops, school, medical centre and the beautiful Kewarra beach.
