Beautifully positioned with lovely views, this 3-bedroom grand double-storey townhouse is superbly built. Downstairs is a generous 3rd bedroom (BIR) plus a kitchen/meals/ lounge with stone benchtops, pantry and loads of cupboards. A cosy and comfortable covered al fresco provides the equivalent of a private double room with northerly views. Upstairs features an open-plan office space/lounge (views). Two master bedroom suites (two ensuites, split systems, WIR's) are captivating. Double glazing, ducted heating system, DLUG & room for a garden combine to make this a sophisticated offering for the astute buyer.
