In a peaceful and treed setting, amongst picturesque, well-maintained original homes and prestige new-built residences, this very modern, very smart 4-bedroom home brings a touch of sophisticated family living, presenting a light-filled, split-level floorplan with a fresh and modern feel. With stylish contemporary fittings and finishes front and centre, the 3 level interior showcases herringbone parquet flooring and quality carpets, stone kitchen and bathroom surfaces and chic black detailing throughout including tapware and window and door frames. There is a guest bedroom with ensuite at ground level that could also provide multi-generational living, a study nook, powder room, fitted laundry and garage entry. The large, open family/dining/kitchen area features an expansive stone island bench and Miele cooking appliances and dishwasher. Huge sliding doors open to the rear alfresco deck and private garden. Upstairs are 2 further bedrooms, stunning mountain views, a main family bathroom equipped with an indulgent soaker tub, and a versatile open living area that could cater to all ages. On the 3rd level, the master bedroom suite includes an enviable WIR dressing room and luxury double vanity ensuite. Walk to the Willsmere Village shops and eateries, connect with the Anniversary Trail. In the Kew High School zone, minutes from Kew Primary School, Kew Junction and tram to the CBD/Docklands. The Eastern Freeway is nearby and elite independent schools just a short drive away. Features* Keylock entry, video intercom and security alarm* Heating and air-conditioning* Private and easy-care rear garden with alfresco deck* Water tank* Single auto garage with internal entry* Secure driveway parking Terms: 10% deposit, balance 30/60 days
