\$410,000

First home buyers or investors will love the stylish finishes and practical extras within this sun-filled, first-floor apartment (with elevator) just minutes on foot to Cloverdale Primary School and Belmont Forum Shopping Centre. Admire the tree-top surrounds from the open plan living, dining and kitchen, complete with smart timber flooring, recessed lighting and contemporary pendants, sliding glass doors leading out to a private terrace and a bright, airy ambience. Both carpeted bedrooms enjoy split system air conditioning, mirrored built-in robes and an ensuite bathroom, both with vanity, frameless rain showers and WC, while a good-sized separate laundry with storage exemplifies the wise use of space within this home. The kitchen is a stand-out, beautifully renovated with double sinks, an electric Bosch 600mm oven and ceramic cooktop, Vedastone engineered quartz benchtops, an eye-catching tiled splashback, top and bottom cabinetry, and a breakfast bar. Adjoining is the sunny living and dining, kept cool all summer with split-system air conditioning. When it's time to enjoy the view, open the glass doors onto a private and covered terrace with zero-maintenance artificial grass, the perfect place for evening drinks as the sun goes down. Downstairs, find undercover parking for one vehicle, a super neat communal paved alfresco area and BBQ, intercom for visitors, and a 4sqm storage room. As a huge bonus, each unit is allotted one solar panel to assist with household bills. Small families will love that Cloverdale Primary School is just 10 minutes on foot, while the bus stops of Abernethy Road are a few hundred metres down the road. Woolworths, K Mart, Big W and various cafés and restaurants abound at Belmont Forum, only a six-minute walk away. City commuters can reach the CBD in around 15 minutes, while Carlisle Station is under 10 minutes by car. Surrounding are a host of leafy green areas, such as Arlunya Park and the lakes and play areas of Faulkner Park. For a move-in-ready, low maintenance home with various extras that make everyday life that little bit easier, contact Adam Whitford on 0406 616 608 or Jonathan Durrant on 0438 909 480.
