\$820,000 - \$850,000

Possessing a fantastic Dingley Village location not far from recreation reserves, golf courses, schools, and shops, this low-maintenance 3-bedroom, 2-bathroom residence is an exciting opportunity ready to be snapped up by downsizers and first home buyers. In a boutique block of units but with an advantageous position at the front enjoying its own street frontage and private driveway access, this bright and comfortable single level unit is highlighted by the light-filled front lounge just off the tiled entry, which sits right near the private master bedroom which has its own walk-in robe and ensuite. The well-sized casual meals zone is adjoined by the kitchen with a handy breakfast bar for quick meals, large pantry, and appliances, while the other bedrooms with built-in robes surround the central bathroom with a separate toilet. A private courtyard just off the meals area has open and covered areas for alfresco entertaining, while a landscaped front garden, laundry, ducted heating and cooling, security door, security shutters and double remote garage are other extras. Close to Spring Road and Rowan Road Reserves with Dingley Tennis Club, Souter Oval, Braeside Park, Spring Park Public Golf Course, Dingley Primary School, Kingswood Primary School, Haileybury College, local shops and buses.
