Supersized, single level and situated just 400m from the golden sands of Chelsea Beach, you're going to love this beautifully presented 3 bedroom, 2 bathroom residence. Peacefully nestled at the rear of only two, step inside and discover an inviting entrance hall, flowing to expansive open plan living and dining with polished timber floors flowing underfoot. The modern kitchen is enhanced by stone benchtops and stainless steel appliances, while ducted heating and new evaporative cooling will keep you comfortable year-round. Boasting an automatic awning and maintenance free modwood decking, the private outdoor alfresco is ready for you to bask in the northern sunshine and entertain in style, while you delight in the leafy passionfruit vine, weeping cherry and silver birch trees. Tucked away from the living zones is a superb main ensuite retreat with walk-in robe, two further spacious bedrooms with mirrored built-in robes, and large family bathroom with separate shower and bath. Additional features include a solar system, garden shed, continuous hot water, full laundry and double remote garage with storage - all securely set behind an automatic gate. Lifestyle location perfection; grab a towel and have your feet on the sand within a five-minute stroll, jump on the bus, catch the train, dash to the shops and enjoy Chelsea Village's bustling café scene at your fingertips.
