This ground floor apartment is a true gem, offering two bedrooms, one bathroom, and the luxury of one generous car space. Located just moments from the vibrant Flemington Village, public transport and shops—convenience is at your doorstep. Experience seamless accessibility to the apartment via a communal garden and a private driveway, offering parking for one car, with an additional entry option through an intercom system. Inside, you'll find a beautifully presented living and dining area flooded with natural light, complemented by a split system air conditioning unit for optimal comfort. The living area flows seamlessly to a garden terrace, providing a charming outdoor space to enjoy while the adjoining kitchen features modern upgrades, including a new 900mm gas cooker and dishwasher, stone benches, and soft-closing drawers. The separate laundry provides additional shelving while the two bedrooms, one with its own split system air conditioning, both offer built-in robes and share a sparkling bathroom with a frameless shower over the bath. With new carpet and tiling, stylish light fittings, roller blinds, and ample hallway storage, this apartment is a haven of comfort and style.
