Start in soaring style, invest in a McKinnon Secondary zone address, hit the heights when you downsize in this up-scale home! A rare custom designed rear home, this 3 bedroom residence takes single-level living to new heights of individuality with broad bay-windows in two directions, tall cathedral-ceilings for lounge and dining, and a virtually freestanding position attached only by the private garage. Newly painted, freshly carpeted and presented in the most spotless style, this unique design shines with a garden-view kitchen with quality appliances including a dishwasher, a clever two-way bathroom with ensuite access for the sunny master bedroom and lifestyle extras including a handy separate WC, a large separate laundry and shiny mirrored robes. This air-conditioned and centrally heated home even offers unique space outdoors with a covered alfresco area to entertain and a large lawned side garden to let kids and pets run free! In the Zone for both McKinnon Primary and Secondary College (and no more than 500m to each), this low-maintenance home enjoys a singularly central position too. A walk to a sweet local shopping strip, two blocks to the bus to stations and Chadstone, and a kick to McKinnon Reserve, this location will make your heart soar!
