This highly-desirable Doncaster setting places Ruffey Lake Park, the M3 Freeway, Jackson Court shopping district, and Westfield Shoppingtown within moments of the door. These blue-chip credentials, in conjunction with its low-maintenance layout, make this property the perfect investment, downsizer, or home-ownership opportunity. The natural textures and rich colours of polished timber flooring animate each space, giving a rush of colour to otherwise calm, neutral interiors, while large windows fill the spaces with natural light. An open-concept layout joins living, dining, and entertaining within a single space, while a shaded undercover terrace allows for peaceful & private outdoor entertaining. Comprising two bedrooms with BIR & A/C and a main bathroom, design features include living room A/C, tandem parking, a separate laundry, and an impressively-appointed homemaker kitchen with generous preparation space.
