Designed for low maintenance luxury lifestyle and relaxed indoor/outdoor entertaining, this expansive North-facing garden, pet friendly apartment offers exceptional quality, privacy and daylong sunshine. On the market for the first time since it was completed in 2000, it's a rare opportunity to buy into the tightly-held 'Bridlewood Gardens' by Mirvac complex and enjoy easy care elegance and convenience in this key Mosman village location. Set amongst beautiful landscaped gardens with manicured lawns, water features, high hedges and security gate entry, the three-building 'Bridlewood Gardens' complex is an oasis of quiet quality in this ultra central position. Across the road from Bridgepoint shopping center with Harris Farm Markets and Aldi, it's around the corner from cafes, eateries, shops and B-Line City buses, moments to galleries and designer boutiques and just a short distance to Balmoral Beach. Occupying the prime position on the North-Eastern corner of this premium low rise complex. With 222sqm on title apartment the apartment features generous living/dining with walls of windows and patio doors flowing seamlessly to the sun-soaked terraces framed by leafy hedged gardens to create a perfectly private sanctuary. Quality built, immaculately maintained and freshly painted, the apartment features timber floors, new carpet, corniced ceilings with downlights, fully tiled marble bathrooms and ducted air-conditioning. The separate kitchen with stainless steel gas cooktop, granite benchtops and breakfast area open to a covered outdoor barbeque area. Both double bedrooms have built-ins and patio doors to the terrace, master ensuite with bath plus internal laundry and hallway storage. The classical-style low rise "Cedar Grove" building of 36 apartments has level access, videophone security entry and lift to two car spaces plus two storage cages in secure basement parking.
