This apartment really is a gem! You will adore the open plan living with polished floor boards that include a spacious lounge and separate dining room with door opening to a balcony which has beautiful city views over the treetops! Both bedrooms are a great size with built in robes. The bright white bathroom and the kitchen has more than ample cupboard space and dishwasher. There is a space for a front loading washing machine in the kitchen. Situated in such a quiet yet convenient location with Yarra Bend Reserve, city trams and Victoria Gardens Shopping Centre all within such close proximity, this is one apartment you just have to see!
