On the border of Brunswick in a leafy tree lined street this architect designed townhouse is the epitome of urban style and convenience. In a boutique complex of four with its own street frontage, polished timber floors and lofty ceilings it sets high standards for owner occupiers or investors. The light filled spacious interior features an adaptable open plan living and dining area, leading to a large, private courtyard plus a fully equipped kitchen with stone benchtops, ample storage, and quality stainless-steel appliances. Upstairs comprises a large main bedroom with a walk-in wardrobe and direct bathroom access, a second bedroom with bathroom access and a balcony. Additional highlights include a separate laundry, guest WC, split system heating and cooling, video intercom entry, alarm, and secure remotegarage. In an excellent location it is close to Moreland Station, Sydney Road shops and cafes, Glencairn Tennis Club, parks, and schools.
