\$526,600

A pocket pleaser indeed, with its convenient location and two bedrooms is sure to please. The open combined living and meals area is perfect for relaxing and spending time with family. The original, well-maintained kitchen adds a touch of charm plus a private courtyard area is a lovely spot for outdoor relaxation. Other features include a neat bathroom and internal access into a single garage plus additional bonus's include freshly painted and offers a new air conditioning unit. Overall, if you're looking for an affordable villa that's neat and cozy and a great place to call home. Call today to avoid disappointment.
