Peace, privacy and the perfect position come together in this garden-wrapped single-level sanctuary. Sun-bathed and garden-focused in a quiet rear position, this two bedroom home stretches out with light-filled living-dining facing a lawned and hedged front garden, and a big master bedroom overlooking a low-maintenance landscaped rear yard. Freshly presented with a classic stainless-steel appliance kitchen (with streamlined all-white style) and a stylish designer bathroom (with wall-hung vanity and heated towel-rail), this sizeable sanctuary is appointed for easy living with a large laundry, big robes ('his and hers' for the master), inverter air-conditioning, gas-heating, and fan-cooling. Down-size with serenity and space today, start-up and add value with a new level tomorrow, enjoy the peace-of-mind that comes with this blue-chip Bentleigh address. Just around the corner from Patterson Village, and two blocks to Centre Rd, this secluded sanctuary is so close to it all – a walk to stations, schools and parks.
