Ideally positioned, this duplex offers indoor and outdoor living . The unit has a flexible yet functional floor plan that will have broad appeal and is perfect for couples, small families and retirees alike. Featuring two well-scaled bedrooms, both bedrooms include built-in robes. The rear positioned open-plan living and dining area has the capacity to entertain your guests and allow you to comfortably live together, but not on top of each other. The kitchen space is perfectly complimented with the inclusion of stainless steel appliances, ample amounts of cupboard and bench space, you will never be short of storage. Broad glass sliding doors, allow sunlight throughout the day, lead out onto your back covered strip patio. This then overlooks the fully-fenced backyard in which to relax in the outdoor space. This home comes complete with a single garage. Please note we are only accepting online applications via <https://app.snug.com/apply/raywhitemailtand>
