A fabulous lifestyle location minutes from the Concourse provides the position for this beautifully renovated home in an established garden setting. Leafy outlooks punctuate throughout a series of elegantly appointed spaces, and the open-plan living room flows out to a north-facing timber deck, perfect for entertaining or enjoying a tranquil morning coffee. Two generous bedrooms, a study alcove, and central bathroom add flexibility, while a stylish kitchen and breakfast bar complement the living zone. A dedicated laundry, excellent storage and a lock-up garage complete the offering. Walk to Beaumaris Reserve, Beaumaris Concourse and beaches, make the most of brilliant transport links including buses to Southland and Sandringham Station, plus zoning for Beaumaris Primary and Secondary College.
