For Sale

Situated in the heart of Clayfield and positioned on the first floor of this secure block of 8 apartments, this two-bedroom abode exudes the ambiance of a traditional home rather than a typical apartment. Upon entry, you'll be immediately drawn to the inviting ambiance with bi-fold doors effortlessly merging the living area with the expansive balcony. The impeccably appointed kitchen is sure to delight any home cook with gas cooking, stainless steel appliances and plenty of storage. Featuring two generously proportioned bedrooms cleverly separated by the ensuite, this home is bound to captivate families, investors, or anyone who loves entertaining. Uncover the spacious, secluded courtyard-a hidden treasure in apartment living! Features include:- Bi-fold doors opening onto large balcony- 2 generously sized bedrooms with built-ins- 2 Bathrooms- Air-conditioning to main bedroom and living area - Private fully fenced courtyard Located within easy walking distance of all essential amenities and conveniently situated within the highly-regarded Eagle Junction State School catchment area, this residence also enjoys close proximity to several prestigious private schools. It offers an ideal foundation for your family's needs."
