This quality two-bedroom unit is located in a quiet area in a well set out complex. There is a good-sized living area that has modern carpet and a quality heat pump to heat and cool the space. The kitchen is neat and tidy, with plenty of storage space and new vinyl plus new benchtops. Both bedrooms are good in size, again both having quality carpet and windows to let in plenty of light. The bathroom area has a separate shower and bath, and laundry facilities are available. The garden is low maintenance with only a small amount of mowing, and a fantastic sunny deck to relax on. To top it all off there is space for additional storage under the house. This property would suit a single or couple who enjoy a quiet lifestyle.

Unfortunately, pets will not be considered at this property.\* Please note, the 'Tenant Check' offered through the Ignite application platform is a paid product offered by Realestate.com.au and is in no way affiliated with Fall Real Estate.
