At this price, you will need to be quick to secure this quality unit built in 2017 and immaculately presented. Looking for your first home, ready to downsize or invest - this property is perfect for any option and is a fantastic opportunity to build on property portfolio. This low maintenance unit with light and bright interiors and private courtyard offers a quiet and modern retreat for you to relax. The beautifully appointed kitchen with all stainless appliances including a dishwasher and convenient island bench flows to the spacious dining, living and spacious courtyard with reverse cycle air-conditioning. The good-sized carpeted bedrooms have built-in robes, and there is the benefit of internal access to the single lock up remote-controlled garage and laundry. Located on quiet cul-de-sac overlooking a park, the property is conveniently located within 5 minutes to Northpoint Shopping Centre.
