\$952,000

Nestled at the rear of two in a coveted Oakleigh East location, this impeccable north facing single level home will appeal to first home buyers, downsizers and investors alike. Beyond its picture-perfect façade, a warm ambience and polished timber floors which leave a striking first impression, this is an opportunity not to be missed. The expansive living zone boasts a wonderful relaxed vibe which flows directly into a large kitchen/meals area that features a quaint breakfast bar and stainless-steel appliances. The generous main bedroom delivers built-in robe storage as do the 2 other north-facing bedrooms, whilst being accompanied by a stylish bathroom with dual entry. Other property delights include a covered northern entertainer's terrace which leads to a leafy green garden, separate laundry, powder room off laundry, ducted heating and split system cooling, 5 kW PV solar system, and a double tandem garage. Close proximity to Monash University, Monash Medical Centre, Carlson Reserve, Reg Harris Reserve, Oakleigh Shopping Centre, Clayton North Primary School, buses, Monash Freeway and the infamous Chadstone Shopping precinct. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
