Discover the garden surprise offered by this extremely appealing one-owner townhouse. Set to the rear – one of just three on the block – the home flaunts an immaculate presentation and is ready to be loved by young families, investors and downsizers alike. With accommodation focused on the open plan entertaining zone, the floorplan offers a bright kitchen and generous dining zone which flows into an inviting lounge taking in lovely garden outlooks at every turn. A gas fireplace creates a cosy accent in the cooler months, then when the weather warms up, you can throw back the bi-folds to connect indoors with the wraparound garden. Here there is space for alfresco get-togethers then beyond that is a sensational secure garden ideal for kids, pets and green thumbs! A ground-floor bedroom with a sizable built-in-robe is an accessible highlight, it enjoys ensuite access to a two-way bathroom which offers a great towel drying area and handy separate WC. The master bedroom is tucked away upstairs where it boasts ample storage adjoining a large ensuite complete with corner bath and separate shower. A full laundry with access out to the garden and an auto garage are also on offer together with reverse cycle heating/cooling and XKW solar panels. This popular pocket is also just a five minute walk to sandy beaches, just around the corner to Edithvale General Store for coffee & brunch and a short stroll to bus stops and Chelsea Station.
