Nestled in a private position in South Casino and away from the main road, this well-presented home boasts great features and extras you don't see in a property every day. The open design of this home makes it a dream to entertain in, with all areas flowing to the next. The expansive entertaining area is one of a kind and can be utilized all year round. At the front of the home you are greeted with a relaxed sitting area surrounded by gorgeous gardens, making it the place to relax at any time of the day. Upon entry you have open plan living, with polished timber flooring and large reverse cycle air conditioning that covers the whole main area and down the hallway. The modern kitchen has plenty of bench and storage space, electric cooking, large fridge cavity, dishwasher and breakfast bar. From the kitchen you overlook the dining and living area which has 2 ceiling fans, AC, and opens out on the back deck with plenty of room to move. There are 3 great size bedrooms, all with built in wardrobes, ceiling fans and reverse cycle air conditioning. The two-way bathroom has a large corner shower, bathtub, large vanity, and separate toilet. A stylish internal laundry with built in cabinetry and storage space provides easy access to the back yard. The rear area of this beautiful home boasts multiple zones to entertain in any weather. Walking out from the dining room you are welcomed by a large covered timber deck that the width of the home. The deck is finished off with washable carpet and nonslip flooring, roller blinds to keep the wet weather and cold wind out, and privacy screens. The grounds have been perfectly designed with gorgeous grey tiles, manicured gardens beds, and a corner spa for those cozy nights in. At the far end of the lower level you have a large privacy screen and rolling door which takes you to another sitting area, the perfect place for relaxing around the firepit. This area can be closed off, or left open for a more expansive entertaining area. Up the side of the home you have a separate deck and sitting area as well as an additional spot for you to potter around in your garden beds.
