Perched at the end of an exclusive cul-de-sac, this world-class architectural masterpiece stands as a one-of-a-kind marvel, offering a life of unsurpassed luxury amidst an incredible 5,1765m² of pristine natural beauty. Constructed in the 1980s by a talented builder with the vision of showcasing his finest work, his meticulous artistry and articulate artisanal craftsmanship formed an epic embrace of select timber, glass, and soaring ceilings among a rich tapestry of zen-inspiring subtropical surrounds. Cascading approximately over 700sqm under-roof, its intuitive design, centered around a lagoon-style swimming pool, remains incredibly innovative in the modern era, offering a captivating collection of living, leisure, and entertaining zones, with a flowing, fountain-fed water course artfully separating guest quarters, family accommodation, and an exquisite master wing featuring a private sauna. Having played host to multiple weddings, and cherished by the same family for over 30 years, its enduring beauty has been loved and admired by many, and will be adored for generations to come. A must-see to truly appreciate, this remarkable address is situated just moments from Sirromet Winery, River Lakes Golf Course and top-rated private schools, with effortless access to the Airport, Brisbane, Ipswich and Gold Coast CBD via nearby motorway links.
