INSPECTION TIMES: In order to be advised of any upcoming inspections, please submit an email enquiry so your contact details are added to the property list, as inspection times become available, you will be notified via email and we ask that you please also keep an eye out for any open homes listed online. You must register for all inspections so that we can monitor numbers and advise you of any changes or cancellations should they occur. Our office only accepts online applications submitted through Ignite (realestate.com.au). You will find this link above or on the realestate.com.au property listing. If you are unable to complete the application form online, a hardcopy application can be collected from our office. Please ensure ALL applicants over the age of 18 who will be residing at the property complete an application (which can be linked together when applying online). Please note: Due to unforeseen circumstances, such as COVID-19 snap lockdowns, cancellations of advertised or private inspection times may occur without notice. Our office will do our best to ensure the most up-to-date information is advertised on the property listing should these events occur and we will endeavor to contact everyone who has registered for the applicable inspections.
