We are offering for sale a very unique property. The main house is a beauty with 3 bedrooms, modern well appointment kitchen with a large pantry, lounge with split system and wood heater, dining area, family friendly bathroom, office and heaps of storage. Outside there is a single carport with an auto door, semi enclosed pergola, garage with workshop which accessed off a rear lane and a very well maintained garden. The 2nd office house is an older cottage which in recent years been used as a business premises. There is a front lounge with a split system, 2 bedrooms, kitchen and bathroom. Outside there is a lounge, outside toilet and a handy shed with a workshop. Both properties are on the one title and just a very short walk to the main street of town. Inspections can be arranged by contacting the selling agent.
