A highly sought after location for its proximity to fantastic amenities, golden stretches of sand and the sea, cafes and excellent public transport links, this lifestyle gem offers a savvy first step or ideal investment on the Chelsea-Edithvale edge. Inside greets you with inviting open plan living and large windows designed to capture the natural light, the warmth of polished timber floorboards and a gleaming modern kitchen with stainless steel appliances. There are two great sized bedrooms, one fitted with extensive built-in robes, both sharing an impeccable bathroom with separate toilet. Completing this coastal abode is split system heating and cooling, exterior blinds, a single carport and supersized low-maintenance alfresco entertaining courtyard bathed in sunshine. Situated within a heartbeat of Chelsea Village's cafes, restaurants, train station and spectacular beaches, while a leisurely walk will lead you to the ever-popular Edithvale General Store for weekend brunch, reserves, parks and the stunning Edithvale Wetlands.
